## **WASTE MINIMISATION AND LITTER REDUCTION POLICY**

Toora Primary School aims to dispose of the least amount of solid waste to sanitary landfill as possible, leading to:

- financial savings for the school,
- considerable benefits for the environment
- many opportunities for students to learn environmentally sound attitudes and habits.

Toora Primary School also aims to have the least amount of litter in the school buildings and grounds, leading to:

- a more attractive school
- a saving of money and time in collecting carelessly discarded litter
- a healthier environment.

The school is committed to a whole-school approach to environment education, including waste minimisation and litter reduction.

Strategies of:

- reduce
- reuse
- recycle
- compost

will be incorporated into everyday activities.

Waste minimisation and litter reduction will be included in the relevant areas of the school curriculum.

Recycled products and others that help reduce waste will be purchased where possible.
