Toora Primary School, the school of choice for Toora families!

Why Toora Primary School?

A new Principal with a strong strategic vision for our school, who values learning, student wellbeing and community.

Teachers who see themselves as lifelong learners and are always looking to implement the latest research-based teaching practices.

Strong school values that underpin our calm learning environment and caring atmosphere where all students are free to be themselves.

A well rounded curriculum incorporating Literacy, Numeracy, Science, Art, PE, Indonesian and Social and Emotional Learning (SEL).

An excellent Music program, incorporating Musical Futures (*we are the only school in South Gippsland to offer this*) and private instrumental music lessons with John Rees.

Regular extra-curricular activities including camps, excursions, incursions and theme days.

Smaller class sizes enabling teachers to spend more 1:1 time explicitly teaching each student to target their individual needs.

Amazing facilities including modern classrooms, specialist learning areas and an indoor stadium – all less than 10 years old.

Excellent IT resources with a ratio of 1 computer per student and 1 iPad per two students.

A strong sense of community with a very welcoming and active Parents and Friends Association (PFA).
