Dear 2025 Prep Families,

Congratulations – your child is almost ready for primary school!

I am reaching out to all families with a child starting Prep in 2025 that are zoned to Toora Primary School to provide information about our transition program(information on your zone can be found on www.findmyschool.vic.gov.au). We have been refining our transition program over the last few years, and we're very proud of how our program will support your child to be fully prepared for school. I have attached an overview of our the program, which includes kinder visits, a pre-prep program, an information session, and transition day.

Please feel free to contact me if you would further information about our transition program, to book a school tour, or if you have any questions you may have about our wonderful school.
